Dear Ted:

I want to thank you and your staff for the fine support provided me over the past year.

Your efforts to establish a meaningful and comprehensive planning system for the Intelligence Community have met with considerable success. I have been particularly impressed by some of the basic documents such as the Perspectives and the Annual Report.

I am sure that your efforts to further improve Community planning will be fruitful and that the Intelligence Community will profit from them.

Best wishes for the future.

Sincerely,

/s/ George Bush
